wahabrehan7@gmail.com

Objective

Recent graduate in Computer Science Engineering with a strong foundation in programming, software development, and problem-solving. Eager to apply technical skills and theoretical knowledge to contribute to innovative projects and grow as a software engineer.

Education

Bachelor of Engineering in Computer Science Engineering
Osmania University, Hyderabad, Telangana
2019-2023

- Relevant Coursework: Data Structures and Algorithms, Database Management Systems, Operating Systems, Software Engineering, Web Development, Artificial Intelligence

Skills

- **Programming Languages:** Python, Java, JavaScript
- **Web Technologies:** HTML, CSS, ReactJS
- **Database Management:** MySQL
- **Tools & Frameworks:** MS Office, Git
- **Operating Systems:** Windows, Linux
- **Soft Skills:** Problem-solving, Teamwork, Communication, Time management

Projects

1. Toursaza - Tours and Travels Website

- Developed a dynamic website using HTML, CSS, and JavaScript.
- Implemented features for browsing travel packages, booking tours, and user registration.
- Designed a user-friendly interface with responsive design for various devices.

2. Used Cars Sale Predictor

- Created a machine learning model using Python to predict the sale price of used cars.
- Employed various regression algorithms and feature engineering to enhance prediction accuracy.
- Utilized libraries such as Scikit-learn for model training and evaluation.

3. Rezin - Crop Recommendation Model

- Designed a crop recommendation system using the Random Forest algorithm in Python.
- Analyzed soil and climate data to recommend suitable crops for various regions.
- Achieved high accuracy in predictions by optimizing model parameters and feature selection.

Internships and Experience

Machine Learning Intern
Pantech E-Learning, Hyderabad, Telangana
2022

- Assisted in developing and testing software applications under the guidance of senior developers.
- Contributed to code reviews and bug fixes, improving the overall code quality.
- Gained experience with Agile methodologies and version control using Git.

Certifications

- **Python and Machine Learning** – Pantech E-Learning, 2022
- **ReactJS Bootcamp** – DevTown, 2023

Declaration

I hereby declare that the information provided in this resume is true and accurate to the best of my knowledge. I understand that any false information or omission may lead to disqualification from consideration or termination of employment if discovered at a later date.
